INFORMED CONSENT TO SURGERY OR SPECIAL PROCEDURE

I, the undersigned _____ confirm that I do hereby freely give my consent to

Doctor **Philippe Zurbuchen**, as the surgeon who will be performing the following surgical procedure upon my person:

I confirm that I have received complete and clear information concerning the actual process, the potential successful outcome and benefits, and any potential risks, inherent to the abovementioned surgical procedure or operation. I also confirm that all the information was delivered to me in a way that I fully understand.

During the preoperative discussion, I was able to ask all the questions upon which I required or desired information, and that they were answered comprehensively and to my satisfaction. Furthermore, I received complete and clear information as to other forms of treatment and their potential outcomes on my condition, both on a short and long-term basis, as follows:

- Any possible alternative surgical procedures
- Non-invasive treatment (other than surgical procedures or operations)
- Absence of treatment
- Evaluation of other possible diagnostics.
